What do we do

- Full time courses for 16-18 year olds
- 3 days per week, 9.30am – 4pm
- Flexible timetables and qualifications
- High quality support and advice
- Expert help getting into work
- Forklift truck, first aid and food hygiene certificates
- Great Maths and English teaching (including GCSE)
- 92% of last year's Trainees passed their courses
- 90% of last year's Trainees progressed successfully

How we do it

"I didn't complete my GCSEs and SOFEA is giving me the second chance I need to get a job and make something of myself"

Learner, SOFEA

At SOFEA you will enjoy being part of the team, working with others to gain confidence and skills, while doing work experience that really helps others.

You will get the right help and support when you need it from people who are experts at what they do.

When you're ready we will help you move on to the right place for you.

SOFEA is part of a network called FareShare, every month the network provides one million meals to people in need, your work experience will make a difference

Why it works

We will help you to successfully become who you want to be.
We will do this differently from other places,
With highly skilled staff who really listen and work with you.

Our programmes count as full time education and so your family can still access child benefit and tax credits.

"School doesn't always suit people, at SOFEA we understand that there is a different way to get the skills and knowledge you need to be an asset to a local company"

Richard Kennell, CEO, SOFEA
